

TECHNICAL DATA SHEETS

DESCRIPTION

Designed for both strength and stability, our PROPAVING® line delivers value and performance for the reinforced concrete professional. With 1/4" cover height increments, our PROPAVING® product combines the engineered strength of an I-beam with a convenient and secure snap head feature that accommodates a #3 to #6 bar. With easy-to-read size markers our chair also has slots in the base of the chair that allows for stable On-Grade placement.

FEATURES

- Cover heights ranging from 1 1/2" to 8"
- Snap head that accommodates a #3 to #6 bar
- Strong, stable, easy to use
- Slots on the base for easy placement
- Easy-to-read height markers

APPLICATIONS

- Foundations, Slabs, Patios, driveways, any on-grade application
- Highways and road construction
